Reinhart for the presidency of the company when President Manvel died last spring. Soon after he fell ill with the malady which finally destroyed his life, and he intrusted Mr. Reinhart with the entire direction of the company's affairs. This arrangement was satisfactory to the foreign stockholders represented by Mr. Magoun, and it is probable that it

Mr. Magoun's death was not unexpect ed. It has been known for some time that his condition was very serious and would terminate fatally. It was n account of his illness that he was not present at the annual meeting here in October.

#### STEVENS CENSURED.

House Foreign Affairs Committee Against the Ex-Minister.

WASHINGTON, Dec. 22. - The house committee on foreign affairs yesterday norning considered the resolutions introduced by Mr. Hitt and Mr. Boutelle, relative to the Hawaiian policy of the administration, and decided to report a substitute as follows: Whereas, it appears from executive com-numications sent to the home of representa-tives that the United States minister and the failed States haval forces at Honolulu ex-ceded their authority in January, 1991, and legacity sided in overshrowing the constitu-lousd poternment of Hassail and setting up in its place a provisional government not re-marking in force and in opposition to the of a majorny of the people of Hawan

therefore. Resolved. That it is the sense of this hause that such intervention by the government of the United States. Us representatives or armed forces was contrary to the policy and traditions of our reposite and the spira of our constitution and should be and is emphatically constitution and should be and is emphatically constituted.

Re-resentative Storer offered a substitute which was rejected and he will present it as a minority report. It lectures that the president has exceeded his rights and invaded the dignities of congress, as well as violated the laws of nations in his instructions to Minister Willis, and further, that the manner of such attempted All kinds of Trees and Ornamental methods used are answorthy of the executive department of the United States, while the confessed intent of and the spirit of the constitution.
